

ORDINANCE 1612

AN ORDINANCE TO AMEND AN ORDINANCE REGULATING WRECKER SERVICE
WITHIN THE CITY OF PRICHARD, ALABAMA AND ITS POLICE JURISDICTION.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PRICHARD, ALABAMA,
AS FOLLOWS:

SECTION 1: Ordinance No. 1171 is amended by adding thereto the following
section.

SECTION 8: In order to promote the safety, welfare, comfort and convenience
of the citizens of the City of Prichard, the City Council
inaugurated a "wrecker tow-away" service to facilitate the
clearing of streets and the expeditious movement of traffic,
the terms of which are incorporated as integral portions of this
sub-section. The contract wrecker service is thereby required to
tow and remove from public streets within the City of Prichard
and its police jurisdiction vehicles which are:

1. Parked in designated "tow-away zones";
2. Abandoned on public streets or public property;
3. Parked or stalled on public streets so as to create a
traffic hazard;
4. Stolen vehicles;
5. Claimed to be involved in DUI charges;
6. Claimed to be involved in liquor violations;
7. Claimed to be involved in narcotics violations;
8. Held, seized, or impounded for investigation or other reason
at the direction of the police department;

9. Involved in accidents wherein the driver is charged with DUI, no driver's license, improper tag, or ISA;
10. Obstructing emergency operations; and
11. The property of the City of Prichard.

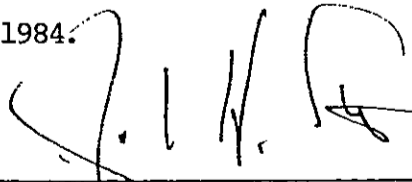

Where the contract wrecker service is unable to perform such service, the contract wrecker service shall so advise the police department operator, who will contact the wrecker company maintaining its office in closest proximity to the location of the vehicle to be towed and removed, and request such company to tow the vehicle to the storage lot of the contract wrecker service located at 231 Diaz Street, Prichard, Alabama 36610, or to the police department of the City of Prichard, if so directed. The wrecker company substituting for the contract wrecker company shall charge the same for towing services rendered as is charged by the contract wrecker had it done the towing.

Towing of vehicles where the contract wrecker company is unable to so tow shall not be considered as a turn for the wrecker company performing the towing in the event that a rotation list is being used at that time by the Prichard City authorities.

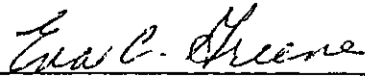

The contract wrecker company is Michael Glen Robinson d/b/a City Wrecker Service pursuant to a contract with the City of Prichard.

Adopted this 20th day of November, 1984.
