ORDINANCE NO. 858

An Ordinance to Modify Improvement Ordinance No. 854 of the City of Prichard, Alabama, which was Adopted and Approved on February 15, 1960, and to Confirm said Ordinance as Herein Modified

BE IT ORDAINED by the Mayor and City Council (herein called "the council") of the City of Prichard (herein called "the city") in the State of Alabama, as follows:

(1) It is hereby found and determined by the council as follows: pursuant to the provisions of Section 8 of the city's Improvement Ordinance No. 854 adopted by the council and approved by the mayor on February 15, 1960, the council met at the city hall in the city at 5:00 o'clock P.M., on March 14, 1960, for the purpose of hearing any objections, protests and remonstrances that might be made to the improvements provided for in said improvement ordinance, the manner of making the same and the character of material or materials to be used; a number of protests or objections were made with respect to the said Improvement Ordinance No. 854 at the said meeting of March 14, 1960, after which the said meeting was adjourned for further consideration of the said protests and objections until the regular meeting of the council held on this date, March 21, 1960; the council has given full consideration to each protest or objection made with respect to the said improvement ordinance and the improvements provided for therein; and the council has concluded that it is in the public interest that said improvement ordinance be modified as herein provided and that said improvement ordinance be confirmed as herein modified.

(2) Subsection (A) of Section 3 of said Improvement Ordinance No. 854, which said subsection

(A) provides that sanitary sewers, together with the necessary manholes and other appurtenances, thereto, shall be constructed in and under certain public streets, avenues, and other public ways in the city (said streets, avenues, and other public ways being located in that portion of the city designated as Area "A" in the engineering plans and specifications referred to in said improvement ordinance) shall be modified by substituting for the subdivision of said subsection (A) that is captioned WATSON STREET the following:

"WATSON STREET, beginning at the intersection of Watson Street and Carr Street, thence Northeasterly along the center of Watson Street 877.3 feet to the intersection of Watson Street and Whistler Street; thence Northeasterly along the center of Watson Street 933 feet to the intersection of Watson Street and Warren Street; thence Northeasterly 500 feet along the center of Watson Street."

the modification of the said subsection (A) herein provided for consisting of the elimination of a portion of the sanitary sewers provided in said Improvement Ordinance No. 854, as originally adopted, to be constructed along Watson Street in the city.

(3) Subsection (C) of Section 8 of said Improvement Ordinance No. 854, which said subsection (C) provides that sanitary sewers, together with the necessary manholes and other appurtenances thereto, shall be constructed in and under certain public streets, avenues, and other public ways (said streets, avenues and other public ways being located in that portion of the city designated Area "C" in said engineering plans and specifications) shall be modified by substituting for the subdivision of said subsection (C) that is headed FIFTH STREET the following:

"FIFTH STREET, beginning at the intersection of 5th Street and Engine Street thence 1,721 feet Southwesterly along the center of 5th Street to the intersection of No. 5 Street; thence 828 feet Southwesterly along the center of 5th Street to the intersection of St. Stephens Road; thence 1,000 feet Southwesterly along the center of Fifth Street Extension to the end of the street."

the modification of the said subsection (C) herein provided for consisting of the elimination of a portion of the sanitary sewers provided for in said Improvement Ordinance No. 854, as originally adopted, to be constructed along Fifth Street in the city.

(4) The said Improvement Ordinance No. 854, as herein modified, shall be and hereby is ratified and confirmed.

Adopted this 21st day of March, 1960.
