

ORDINANCE NO. 1139

AN ORDINANCE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PRICHARD, ALABAMA AS FOLLOWS:

Section 1. It is hereby determined to improve the following street in the City of Prichard:

- (a) College Street from Prichard Avenue to Sweeneys Lane

Said street will be improved by providing concrete curbs and gutters and paving the roadway between the gutters with a pavement consisting of a wearing surface of one and one-fourth inch type D hot mix asphalt concrete, on an eight inch sand clay base course, said street to be improved to a width of twenty-six feet measuring from the face to face of the curb line. Said street will be further improved with necessary underground drainage, consisting of catch basins and tongue and groove concrete pipe. Driveway exits will be installed as is specified in Section 3 hereof. All of the foregoing improvements are to be in accordance with the full detail drawings, plans, specifications, surveys and estimates of the cost of the work and improvements to be prepared and placed on file by the City Engineer of Mobile, Alabama.

Section 2. That cost of the improvements determined by this Ordinance to be made on the streets described in Section 1 hereof, in the amount of Three and 50/100 (\$3.50) Dollars per running front foot with drives to be charged to the property owners at the cost of Fifty and 00/100 (\$50.00) Dollars each per 12 foot drive, shall be assessed against and form a lien on the abutting properties on the streets described in Section 1 hereof, insofar as such costs are legally chargeable against such abutting properties.

Section 3. Driveway exits will be constructed to three feet behind the face of the curb to provide connections to all properties abutting the street to be improved hereunder where such properties have improvements thereon and where such front footage is thirty feet or more, or if less front footage where driveway exits now exist serving single lots with multiple housing thereon, and where driveway exits now exist, and the total cost of the driveway exit will be

assessed against the respective parcels of property benefitted by said driveway. Driveway exits will not be constructed to connect unimproved parcels of property to said street unless written requests therefor shall be made by the property owner, the request to be received on or before June 15,
1968, and in case such requests are made and the driveway exits are constructed assessments to cover the total cost of constructing them will be made against the piece or parcel of property so benefitted in the same manner as provided in this paragraph for the assessment of cost of driveway exits of improved properties.

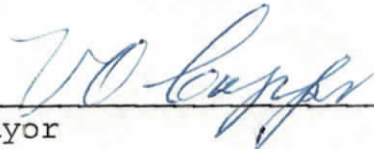

Section 4. The City Council of the City of Prichard will meet on the 15 day of July, 1968 at 5:00 P.M. o'clock p.m. in the City Hall to hear any objections, remonstrances, or protests that may be made against the improvements provided for herein, the manner of making same, or the character of the materials to be used.

Section 5. The City Clerk is hereby directed to cause a copy of this Ordinance to be published once a week for two successive weeks in the Mobile Press, a newspaper published in the City, the first insertion to be at least two weeks prior to July 15, 1968, the date herein set to hear objections, remonstrances, or protests respecting the improvements provided for herein.

Section 6. The City Clerk is hereby directed to have a copy of this Ordinance sent by registered mail, postage prepaid, to each of the persons last assessing for City Taxation the property which may be assessed for said improvements, each such copy to be mailed to each such person at his last known address and to be mailed not less than ten days prior to July 15, 1968.

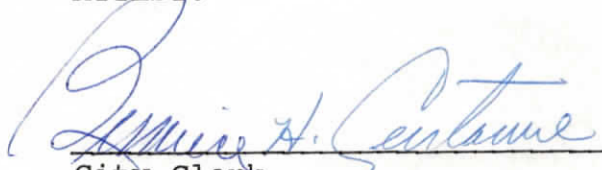

Adopted this 3rd day of June, 1968.
